AN ANNUAL REPORT TO THE COMMUNITY 2015-16 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2017

A MESSAGE FROM THE PRINCIPAL

Welcome to Sierra Vista Elementary School. The mission of the school is to help every child learn and reach their highest potential. Our staff has made a commitment to provide excellent opportunities for all students. Various programs and services exist to support children to achieve their goals.

Instruction focuses on the California Content Standards by using our district's core curriculum. Supplemental programs are in place for extra support as needed.

Parents are encouraged to partner with us to provide a positive learning environment at home and at school. There is an active Parent Teacher Organization (PTO), English Learner Advisory Council (ELAC), and School Site Council (SSC) which meet monthly. Special events are planned throughout the year for our students' families. There are many ways that parents can get involved at Sierra Vista. Parents are always welcome.

On behalf of the Sierra Vista Staff, we look forward to a terrific school year.

DISTRICT PROFILE

Val Verde Unified School District is located in the heart of the Inland Empire, approximately 72 miles east of Los Angeles. Neighboring the district and its communities are March Air Force Base and the Lake Perris recreational area. During the 2015-16 school year, the district's schools served more than 19,800 students residing in the rural and suburban communities of Perris, Moreno Valley, and portions of unincorporated Riverside County. The district currently operates a preschool, 12 elementary schools, 4 middle schools, 3 comprehensive high schools, a student success academy, a virtual academy, and a continuation high school.

DISTRICT MISSION

Our mission is to create a positive learning environment that produces life-long learners, who will become responsible, contributing citizens able to function in a culturally diverse society.

SCHOOL PROFILE

During the 2015-16 school year, Sierra Vista Elementary served 1,107 students in grades K-6. Student enrollment included 9.7% in special education, 23.8% qualifying for English learner support, and 82.9% qualifying for free or reduced-price meals.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning/State Priority 1: Covered in Teacher Assignment, including the Teacher Credentials & Misassignments & NCLB Compliance charts; Instructional Materials, including the Textbooks chart; and School Facilities & Safety, including the Campus Description and School Facility Good Repair Status charts.

Parental Involvement/State Priority 3: Covered in Parent Involvement.

Pupil Achievement/State Priority 4: Covered in Standardized State Assessments, including the CAASPP charts.

School Climate/State Priority 6: Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Other Pupil Outcomes/State Priority 8: Covered in the Physical Fitness, including the Physical Fitness Test chart.

PARENT INVOLVEMENT

Parent involvement is a vital component to school and student success. Sierra Vista Elementary School offers a wide variety of opportunities for parents to support the school and their child's academic efforts through volunteering or simply attending special events and activities. Parents seeking more information about getting involved in Sierra Vista Elementary's learning community may contact the school secretary at (951) 443-2430.

School-to-home communication is provided in both English and Spanish. Parent Link is an automated parent notification system used to quickly forward important announcements via telephone messages. A monthly calendar of events is sent home with students. The school website features general information, teacher web pages, and PTO news. Flyers and letters are distributed as needed to relay reminders and announcements. Parents may contact teachers and administration through email and can stay up to date on their students' information through the Val Verde App.

STUDENT ACHIEVEMENT DISTRICT BENCHMARK ASSESSMENTS

Val Verde Unified School District uses a variety of tools to evaluate and analyze student learning. District benchmark assessments supplement multiple measures of assessment to identify students' mastery of subject matter and skill levels. District benchmark assessments are being aligned with the California Common Core State Standards and are comprised of both formative and summative assessments given in math, reading, and language arts. During the 2015-16 school year, all students in grades 1-5 were tested three times throughout the school year to identify subject area mastery and specific gaps in the learning process. Students in grades 7-12 were evaluated quarterly throughout the year to determine course grades and levels of content mastery.

Multiple measures of assessment are used to identify student progress, understanding of state content standards, and mastery of subject area matter/concepts. These measures include: state standardized tests; benchmark assessments; classroom observations; teacher-

created assessments; DIBELS; DRA; and 95% screeners for phonics/fluency. Collectively, the benchmark assessments and multiple measures aid teachers in 1) identifying areas where instruction may or may not be effective, 2) guiding classroom instruction practices and strategies, and 3) identifying students who need targeted academic assistance or intervention. Teachers and administrators are able to pinpoint any deficiencies or gaps in the learning process, identifying very specific skill sets and subject area content that needs to be retaught, reinforced, or revised to ensure every student obtains a solid foundation for future success in learning.

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

California Assessment of Student Performance and Progress (CAASPP) Tests assess student performance in English language arts/literacy and Mathematics in grades 3 through 8 and 11, and Science in grades five, eight and ten utilizing computer-adaptive tests and performance tasks. This system is based on the Common Core State Standards (CCSS) and is part of the Smarter Balanced Assessment System.

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable grade level and subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the CAASPP tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. An asterisk (*) appears in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

FEDERAL INTERVENTION PROGRAM

The passage of the Every Student Succeeds Act (ESSA), reauthorizing the Elementary and Secondary Education Act (ESEA) in December 2015, is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2015-16, Sierra Vista Elementary School qualified for Schoolwide Title I funding and is therefore subject to comply with Title I program requirements.

PHYSICAL FITNESS

In the spring of each year, Sierra Vista Elementary School is required by the state to administer a physical fitness test to all students in the fifth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. Most of the new provisions under ESSA do not take effect until the 2017-18 school year making 2016-17 a transition year. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

Sierra Vista Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 2003; ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff.

2015-16 Campus Improvements:

- Resurfacing of blacktop
- Repainting of parking lot
- Addition of restrooms for 6th grade students
- Addition of two portable classrooms
- Addition of a community resource room
- Addition of a bigger shade structure

2016-17 Planned Campus Improvements:

- Installation of solar panels in parking lot
- Addition of a school garden

SUPERVISION AND SAFETY

Each morning as students arrive on campus, one supervision aide/administrator and one security guard greet students at the main gate and teachers supervise the playground. During recess, seven supervision aides and one security guard monitor playground activities. During lunch, seven supervision aides and one security guard share the responsibility of monitoring students in the cafeteria and on the playground. When students are dismissed at the end of the day, the principal and the security guard circulate throughout the campus while the assistant principal and teachers on duty monitor the front exit areas to ensure students leave campus in a safe and orderly manner. The security guard is on campus for the whole day monitoring student behavior.

Many individuals visit the campus as volunteers or to participate in school events. To maintain a safe and secure environment, all parents and visitors are required to check in at the school office upon arrival and present valid picture identification, obtain and wear a visitor's badge using the Raptor System, and then return to the school office upon departure.

SCHOOL INSPECTIONS

Sierra Vista Elementary School and the Val Verde Unified School District's Maintenance and Operations Department (M&O) work together to ensure student safety and uphold high cleaning standards. M&O supervisors and school administration inspect facilities on a continual basis to identify and resolve concerns in a proactive and timely manner. The most recent facilities inspection at Sierra Vista Elementary School took place on July 14, 2016. Schools are required by state law to report the condition of their facilities. During the 2015-16 school year, 100% of student restrooms were fully operational and available for student use at all times.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Sierra Vista Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. The Val Verde Unified School District partners with Hour-Zero for school emergency response

planning, management, consulting, and training. Hour-Zero specialists support district and school staff with the ongoing development of a comprehensive emergency preparedness program to address critical components of emergency response planning and compliance with federal and state requirements.

Components of Sierra Vista Elementary's school safety plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current safety plan was reviewed, updated, and shared with school staff in the spring 2016.

MAINTENANCE AND REPAIRS

School custodial staff and the district's maintenance department work together to ensure playing fields, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) continues to employ an electronic work order process to facilitate and improve services to Sierra Vista Elementary School. Teachers and school staff communicate unscheduled maintenance needs, urgent repairs, or special projects to designated custodial and office support staff who prepare and submit work orders to M&O for resolution. Emergency situations are immediately resolved either by the school custodian or district maintenance staff.

DAILY CLEANING PRACTICES

One full-time day custodian, one swing shift custodian, one full-time evening custodian, and a groundskeeper are assigned to Sierra Vista Elementary School and work closely with the principal for routine maintenance, daily custodial duties, and special events. The principal and custodians communicate daily as needed via handheld radio to discuss campus cleaning needs and safety concerns. Every morning before school begins, custodians inspect facilities for safety hazards, graffiti, and other conditions that require immediate attention or removal prior to students and staff entering school grounds. Custodians check

Custodians are responsible for cleaning campus grounds, classrooms, restrooms, and common areas to ensure facilities remain in good working condition, clean, and safe for students, staff, and visitors. The custodians are required to inspect restrooms a minimum of two times a day and subsequently document restroom inspections in their daily inspection log. All custodians follow approved district standards and procedures for routine custodial functions and campus maintenance. The groundskeeper is responsible for general gardening and maintenance work such as trash and debris removal, landscaping care, irrigation system maintenance, and playing field maintenance.

Each custodian is provided one week of intensive training upon employment. Thereafter, training is coordinated by district maintenance supervisors and custodial staff meetings are held twice annually. Training activities in use of equipment and safety procedures are led by district risk management representatives, vendors, and department supervisors. The district's Operations Supervisor visits Sierra Vista Elementary School monthly to review custodial performance, discuss campus maintenance needs with the principal, evaluate conditions of the school facility, and follow up on outstanding work order requests.

The Class Size Distribution table in this report illustrates the distribution of class sizes for each grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

DISCIPLINE & CLIMATE FOR LEARNING

Students at Sierra Vista Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others. The main focus of the discipline program from the very first day of school is to help students develop an understanding of regular procedures and routines. Through consistent positive reinforcement of what students are expected to do throughout their day, disruptive behaviors are kept to a minimum.

The OLWEUS Bully Prevention Program as well as the Positive Behavior Support System (PBIS) was implemented in the beginning of January 2014. The OLWEUS bully prevention program is a preventative program which requires active participation from all members of our school community. It is designed for all students and is preventative and responsive to any and all acts of bullying. The Positive Behavior Support System will be integrated with OLWEUS bully prevention program. Through the Positive Behavior Support System, our school community will provide intentional structures for student success through positive behavior expectations.

Building character is an important part of the program at Sierra Vista Elementary School. Using the Peace Builders, Character Counts, and Positive Action programs, students are provided a foundation on which to build positive behavior and values through daily lessons. The Peace Builder's Pledge is recited daily as a morning routine. Six pillars of character (Character Counts program) are embedded into daily activities and reinforced through praise. Teachers deliver a series of Positive Action lessons which actively engage students in understanding and acquiring the tools to make good choices at school and at home.

Each student receives a student/parent handbook (published in both English and Spanish) which outlines behavior expectations and the schoolwide discipline plan. In alignment with the schoolwide discipline plan, teachers have implemented grade-appropriate classroom management policies and incentive programs for student conduct and academics.

At the beginning of the school year, teachers review student behavior responsibilities and discipline policies as part of the classroom orientation process. During the first week of school, students are escorted on a tour of the campus to discuss the rules and safety practices associated with each area. During lunch and at Friday Spirit Assemblies, students are reminded as needed to conduct themselves in a safe, responsible, and respectful manner. Grade-level assemblies addressing discipline and anti-bullying are held at the beginning school year and repeated throughout the school year as the need arises.

A progressive discipline approach is taken when students are having difficulty following school rules or disrupting classroom instruction. Teachers refer students to the principal for further intervention which may include a phone call to the child's parent(s)/guardian(s). Consideration of the severity and nature of each infraction is taken when consequences for unacceptable conduct are determined. Discipline is consistently managed in a fair, firm manner and follows the schoolwide discipline matrix.

Staff members frequently reward and encourage students exhibiting positive behavior, academic achievement, and improvement. Friday assemblies and Spirit Rallies recognize school spirit and athletic efforts. Trimester award ceremonies are held to reward students for academic achievement, perfect attendance, and outstanding citizenship. The PTO provides special prizes and rewards for award recipients. At the end of each trimester, an awards ceremony is held to recognize students for their outstanding efforts in academics and maintaining perfect attendance. Students achieving a perfect attendance record and completing their homework are eligible to participate in a raffle for incentive prizes.

ENRICHMENT ACTIVITIES

Teachers collaborate among their grade levels to provide enrichment activities in alignment with the school curriculum as well as integrating sports and music related activities into lesson plans. Students are encouraged to participate in the THINK Together after-school program for structured homework support, tutoring, and recreational activities. Sierra Vista now offers music class for 2nd through 5th graders as an elective, after-school choir, and 6th grade sports programs.

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Val Verde Unified School District are aligned to the California California State Standards. The district's Educational Services department selects staff development concentrations based on principal feedback, teacher survey results, California California State Standards, district benchmark assessment results, and state standardized test results.

Staff Development Days Three-Year Trend		
2013-14	2014-15	2015-16
0	2	4

During the 2015-16 school year, Sierra Vista Elementary School held staff development focused on:

- 21st Century Learning
- Common Core State Standards
- Math Adoption
- Professional Learning Communities (PLC)
- Science, Technology, Engineering, Art & Math (STEAM)
- Positive Behavior Intervention & Support
- Writing

The district offers supplemental support year-round for new and ongoing programs related to either specific strategies to improve student learning or district-adopted materials. Supplemental training sessions offered during the 2015-16 school year included:

- 21st Century Learning: Beyond Direct Instruction
- AERIES Training
- Curriculum & Instruction
- Formative Assessments
- Technology Training
- Units of Study

Val Verde Unified School District welcomes new teachers and provides intensive training to help them experience success in their new classrooms. For ongoing professional guidance, the district supports new and veteran teachers in developing their teaching skills. Beginning Teacher Support and Assessment (BTSA), a state-sponsored program, is designed for first- and second-year credentialed teachers and provides skills assistance over a two-year period. The Peer Assistance and Review program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the district and Riverside County Office of Education. Professional and subject-specific offerings are consistent with the California California State Standards.

Special education staff, resource specialist staff, bilingual aides, and instructional aides receive customized training to support the district's educational programs and develop strategies to increase effectiveness in teaching practices. Classified support staff receive job-related training from department supervisors and district representatives; training activities and workshops are designed to enhance and extend job performance. Long-term substitute teachers may be encouraged to participate in site-sponsored activities to enhance their understanding of Val Verde Unified School District's curriculum and classroom management practices.

SCHOOL LEADERSHIP

Leadership at Sierra Vista Elementary School is a responsibility shared among administrators, teachers, and parents. Principal Corby Warren is responsible for the day-to-day operations and overall curriculum. The school's leadership team, grade level teams, program facilitators, Assistant Principal Antoinette McPhee, and School Site Council share in the decision-making and administrative processes to create an effective, safe, and nurturing learning environment.

The school's leadership team, comprised of the principal, assistant principal, curriculum leaders, grade level representatives, special education teacher, and instructional coach, meets biweekly to collaboratively address and resolve issues related to school programs and grade level team efforts. Team members are responsible for leading program implementation in their respective areas of responsibility and serving as a liaison between school administration and grade level teams.

The School Site Council (SSC), consisting of the school principal, teachers, classified staff, and parents, is a major governing body that meets monthly to address school programs, discuss progress in meeting school goals, and serve as a liaison between the community and school administration. On an annual basis, the SSC is responsible for reviewing and approving the school site plan, safety plan, and budget.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Val Verde Unified School District are aligned to the California State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On September 13, 2016, the Val Verde Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #16-17-13 which certifies as required by Education Code §60119 that 1) textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a standards-aligned textbook or instructional materials, or both, to use in class and to take home, 2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and are consistent with the cycles and content of the curriculum frameworks in mathematics, science, history-social science, and English/language arts, including the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive. Within a six-week period prior to adoption, parents may preview recommended instructional materials at the district office or the school's office.

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2016-17 school year, Val Verde Unified School District certifies that each student, including English learners, enrolled in a visual/performing arts class has been provided with a textbook or supplemental materials to use in class and to take home. These materials comply with the California State Standards.

SPECIALIZED INSTRUCTION

All curriculum and instruction is aligned to the California State Standards approved by the State Board of Education. Every child receives a rigorous, well-balanced standards-aligned core program. Sierra Vista Elementary School structures its educational program so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques using research-based instructional materials and strategies.

SPECIAL EDUCATION

Special education students are mainstreamed into the general education classroom based upon their IEP (Individual Education Plan) and provided instruction in the least restrictive environment. Special education teachers, special education aides, and general education teachers collaboratively utilize a team-oriented approach to provide maximum levels of instruction in the general education environment. For a portion of the regular school day, students may receive individual and/or small group instruction from special education staff in the Learning Center. A District Program Specialist meets with special education teachers regularly to provide support and assistance in developing student teaching schedules and allocating staff resources.

Each student is provided instruction based upon their IEP, which is reviewed and updated annually by the school's IEP teams. The IEP ensures that students with disabilities have equal access to core curriculum and educational opportunities and is used to coordinate specially-designed instruction based upon individual academic, social, and behavior needs.

ENGLISH LEARNER INSTRUCTION

All of Sierra Vista Elementary School's teachers are certified and trained to provide instruction for students identified as English Learners (EL). Beginning level EL students receive English Language Development (ELD) instruction from a certificated teacher for 30 minutes a day as a supplement to their regular language arts curriculum. ELD Instruction focuses on reading development, verbal language development, and vocabulary building. One bilingual aide collaborate with class teachers to provide in-class small group and individual support based upon student needs. In some cases, instruction may be provided in the student's native language to ensure course concepts and lessons are successfully delivered. As students increase fluency in the English language, Sierra Vista Elementary School continues to monitor student performance through benchmark assessments, and classroom observation to adjust instruction as needed to ensure continued success in acquiring the English language and proficiency in reading/language arts.

GIFTED AND TALENTED EDUCATION

Sierra Vista Elementary School offers a Gifted and Talented Education program for students in grades K-5th who have been recognized as high achievers by their teachers and through district testing. GATE students are clustered by grade level to receive accelerated, differentiated instruction and embedded enrichment activities which offer more depth and complexity.

AVID

Sierra Vista Elementary School offers the Advancement via Individual Determination (AVID) program as an elective to qualifying students. The program targets students with a grade point average ranging from 2.5 to 3.5, and who may be the first of their family members to attend college. AVID equips students with the skills required to be successful in postsecondary education. Communication skills, writing in particular, are strongly emphasized. Organizational, study, and note-taking skills are key elements of the college preparation process.

JUNIOR SCHOLARS

Junior Scholars is a rigorous pre-AP program for students who are willing to commit to their academics and their community. Each scholar holds a GPA of 3.5 or higher without C's in challenging courses designed to prepare them for high school Advance Placement courses. In addition, each Scholar volunteers 15 hours in their community. They are required to compete in History Day, Spelling Bee, Science Fair, and writing competitions. They are also enrolled in the UCR STEM program entitled MESA, where they compete in engineering competitions.

INTERVENTION PROGRAMS

Sierra Vista Elementary School supports intervention programs to meet the needs of those students not meeting state proficiency standards in reading, language arts, and math. Student Success Teams comprised of school administrators, teachers, and parents work together to identify individualized intervention strategies for and monitor progress of students having difficulty with academic or social development. Formal intervention programs include:

- **Universal Access:** using monthly district assessments to determine proficiency levels, students are placed in a homeroom class with other students performing at the same proficiency level. This model enables teachers to deliver a reading and math curriculum that closely matches and addresses the needs of students as a whole. Student progress is evaluated at the end of each month and students are regrouped to ensure instruction continues at current learning levels.
- **IMPACT Subs:** small group instruction to get students up to the California Common Core State Standards.
- **THINK Together:** provided after school (on school days) and full-time during holidays and summer break. This program provides homework assistance, crafts, nutritious snacks and recreation activities.

PROFESSIONAL STAFF

TEACHER ASSIGNMENT

Sierra Vista Elementary School recruits and employs only the most qualified credentialed teachers. For the 2015-16 school year, the school employed 44 fully credentialed teachers. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant". Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

SUPPORT SERVICES STAFF

Support services staff consist of psychologists, nurses, health technicians, and special education service providers. Through close collaboration, this expert team is instrumental in improving student attendance and achievement through the identification, referral, and remediation of health and/or emotional concerns.

The psychologist assists with academic, social, and emotional issues; provides assessments to determine eligibility for Special Education services; and facilitates coordination of Individual Education Plans (IEP). The school nurse conducts health screening programs. Health technicians provide basic aid. As a participating member of the Riverside County Special Education Local Plan Area (SELPA), Val Verde Unified School District and Sierra Vista Elementary School have access to a full complement of professional resources and services to meet the individual needs of its students with disabilities.

DISTRICT EXPENDITURES

EXPENDITURES PER STUDENT

For the 2014-15 school year, Val Verde Unified School District spent an average of \$9,037 of total general funds to educate each student (based on 2014-15 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)
