AN ANNUAL REPORT TO THE COMMUNITY

2010-11 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2012

A MESSAGE FROM THE PRINCIPAL

Welcome to Lasselle Elementary School!

Lasselle Elementary School continues to promote academic excellence in an environment where students grow socially, intellectually, and emotionally through the teamwork of teachers, staff, parents, and community. Our focus at Lasselle aligns with the VVUSD goals of standards and accountability, teaching and learning, and opportunity.

Students on our "Safari of Learning" receive instruction through an organized, sequential approach that is aligned to state standards through a collaborative effort with respective grade levels throughout the district. Students are supported in their academic efforts through a variety of programs and services that promote opportunity for all. Students come to school each day ready to learn and striving to be TRRFCC: trustworthy, respectful, responsible, fair, caring citizens - the six pillars of character that are taught, encouraged, and practiced throughout every aspect of our school.

Parents and guardians are encouraged and invited to participate in their child's school career through membership in our parent organizations, learning activities via Back to School Night, parent-teacher conferences, Family Nights, helping in the classrooms, and attending school activities and events. Teachers and staff maintain open communication with families through notes, newsletters, websites, e-mail, and telephone. As the Principal, I maintain an open door/open communication policy, and I welcome visits and calls from parents and the community.

We believe education is a collaboration amongst the teachers, parents, principal, students, and staff. We strive for academic excellence as well as promote the social and emotional well-being of our students. Join us on our Safari of Learning!

A 2008 California Distinguished School

DISTRICT & SCHOOL PROFILE

Val Verde Unified School District is located in the heart of the Inland Empire, approximately 72 miles east of Los Angeles. Neighboring the district and its communities are March Air Force Base and the Lake Perris recreational area. During the 2010-11 school year, the district's schools served more than 19,500 students residing in the rural and suburban communities of Perris, Moreno Valley, and portions of unincorporated Riverside County. The district currently operates a preschool, 12 elementary schools, 4 middle schools, 2 comprehensive high schools, a student success academy, a virtual academy, and a continuation high school.

During the 2010-11 school year, Lasselle Elementary School served 858 students in grades K-5. Student enrollment included 5.8% in special education, 24.2% qualifying for English learner support and 69% qualifying for free or reduced-price meals.

Percentage of Students by Ethnicity/Grade Level 2010-11			
Ethnic Group	%	Grade Level	#
African American	21.3%	Kindergarten	125
American Indian or Alaskan Native	0.5%	Grade 1	142
Asian	3.3%	Grade 2	131
Filipino	3.9%	Grade 3	150
Hawaiian or Pacific Islander	0.6%	Grade 4	152
Hispanic or Latino	61.7%	Grade 5	158
White (not Hispanic)	7.1%	Grade 6	-
Two or More Races	1.6%	Grade 7	-
		Grade 8	-
Total Enrollment			858

Lasselle Elementary School opened its doors in 2005 to a large group of families eager to welcome a high quality educational program in their community. The principal leads a highly qualified, professional team offering a specially-designed curriculum to meet the needs of every child. Rigorous academics, and a warm, positive school environment offer students the opportunity to learn and achieve their maximum potential. In recognition of its outstanding instructional program, Lasselle Elementary received the 2008 California Distinguished School award.

PARENT INVOLVEMENT

Parent involvement is a vital component to school and student success. Lasselle Elementary School offers a wide variety of opportunities for parents to support the school and their child's academic efforts through volunteering or simply attending special events and activities. Parents seeking more information or who are interested in participating in any of the activities listed below may contact the school at (951) 490-0350.

Volunteer to help:

- in the classroom, library, or school office
- prepare classroom materials
- with playground supervision
- chaperone field trips
- chaperone school dances and activities
- with PTO events
- with the School Savings Program
- with book fairs
- with Chess Club

Join leadership groups:

- School Site Council
- English Learner Advisory Council (ELAC)
- Gifted and Talented Education (GATE) Advisory Committee
- Parent Teacher Organization (PTO)

Attend/Participate in:

- Back to School Night
- Family Literacy Night
- Family Math Night
- Family Science Night
- Jump Rope for Heart school/community event
- Parent-teacher conferences
- Parent workshops
- Student performances

School-to-home communication is provided in both English and Spanish. The principal issues a school newsletter several times during the school year which features information regarding school policy, special events, announcements, and helpful parent/student tips. An automated telephone messaging system is used to quickly relay important announcements and reminders to every student's home. The school, PTO, and teachers have websites available to keep parents apprised of school and classroom news and activities. Flyers, letters, and the school marquee are used to share special events information and/or remind parents of holidays and other calendared items.

STUDENT ACHIEVEMENT

To obtain accurate and valid measures of educational progress, Lasselle Elementary School offers students multiple opportunities to demonstrate mastery in each of the core subject areas. Multiple assessments of student achievement are analyzed to monitor student progress and to evaluate the effectiveness of the instructional program. These assessments include teacher tests, classroom observation, benchmark assessments, summative tests, and results of standardized tests. Student progress is reported to parents via informal and formal progress reports, trimester report cards, and parent-teacher conferences.

ADEQUATE YEARLY PROGRESS

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2010-11 AYP cycle, elementary and middle schools must achieve a 67.6% or higher proficiency rate in English/Language Arts and 68.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 710 or higher or increasing the API growth by one point.

Adequate Yearly Progress Results Reported by Indicator and Compared to District Performance 2010-11		
Did the school and district meet or exceed 2011 AYP performance criteria in each of the areas listed below?		
AYP Criteria	Lasselle	VVUSD
Overall Performance	No	No
Participation Rate		
Language Arts	Yes	Yes
Math	Yes	Yes
Percent Proficient		
Language Arts	No	No
Math	Yes	No
API	Yes	Yes
Graduation Rate	N/A	No
AYP Performance Level		
Number of AYP Criteria Met Out of the Total	17/21	29/42
Number of Criteria Possible		

The AYP table in this report illustrates the school's progress in meeting 2010-11 AYP target rates. More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

DISTRICT BENCHMARK ASSESSMENTS

Val Verde Unified School District uses a variety of tools to evaluate and analyze student learning. District benchmark assessments supplement multiple measures of assessment to identify students' mastery of subject matter and skill levels.

District benchmark assessments are in alignment with California State Content Standards and Frameworks and are comprised of both formative and summative assessments given in math, reading, and language arts. During the 2010-11 school year, all students in grades 1-5 were tested three times throughout the school year to identify subject area mastery and specific gaps in the learning process. Students in grades 7-12

were evaluated twice throughout the year to determine course grades and levels of content mastery.

Multiple measures of assessment are used to identify student progress, understanding of state content standards, and mastery of subject area matter/concepts. These measures include: state standardized tests, end-of-unit exams, and classroom observations. Collectively, the benchmark assessments and multiple measures aids teachers in 1) identifying areas where instruction may or may not be effective, 2) guiding classroom instruction practices and strategies, and 3) identifying students who need targeted academic assistance or intervention. Teachers and administrators are able to pinpoint any deficiencies or gaps in the learning process, identifying very specific skill sets and subject area content that needs to be retaught, reinforced, or revised to ensure every student obtains a solid foundation for future success in learning.

CALIFORNIA ENGLISH LANGUAGE DEVELOPMENT TEST

State law requires schools to give the California English Language Development Test (CELDT) to students in grades kindergarten through twelve whose home language is not English. The test identifies the student's proficiency level of understanding of the English language, monitors their progress in learning English if placed in the English Learner program, and helps determine if they have achieved proficiency in the English language.

STANDARDIZED STATE ASSESSMENTS

Students at Lasselle Elementary School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with other students in the state who took the same test. The STAR is comprised of a series of four components: the California Standards Tests (CST), the California Alternative Performance Assessment (CAPA), the California Modified Assessment (CMA), and Standards-based Tests in Spanish (STS).

The STAR tables in this report illustrate the percentage of students achieving Proficient and Advanced levels of proficiency. Results are shown only for subgroups with ten students or more taking the exam. Detailed results by grade level for each student group can be obtained from the California Department of Education's website <http://star.cde.ca.gov>.

CALIFORNIA STANDARDS TEST

California Standards Tests assess student performance on the California Academic Content Standards adopted by the State Board of Education. Performance standards identify the level of student mastery of the content standards tested. The state target for every student is to score at the Advanced or Proficient level. Students scoring at the Far Below Basic, Below Basic, and Basic levels may receive differentiated instruction through school intervention programs designed to increase student proficiency levels to meet grade level standards.

PHYSICAL FITNESS

In the spring of each year, Lasselle Elementary School is required by the state to administer a physical fitness test to all students in the fifth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website <http://www.cde.ca.gov/ta/tg/pf/>.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2010-11			
Grade(s) Tested	Number of Standards Met:		
	4 of 6	5 of 6	6 of 6
Fifth	20%	28%	13%

ACADEMIC PERFORMANCE INDEX

The state Academic Performance Index (API) was launched by the California Department of Education in 1999 to measure the performance and progress of schools based on STAR and CAHSEE testing results. (Note: CAHSEE is the California High School Exit Exam administered to students in grades 10-12 as part of the state's graduation requirements.) The API is used to develop annual schoolwide performance growth targets for future academic improvement.

The API table in this report highlights Lasselle Elementary School's progress over the past two years. To maintain confidentiality, results are reported for numerically significant subgroups only. Numerically significant subgroups are comprised of 1) at least 100 students with valid test scores or 2) at least 50 valid scores comprising at least 15% of the valid test scores. More information about API can be found at www.cde.ca.gov/ta/ac/ap/.

NO CHILD LEFT BEHIND (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to

STAR Results All Students Percentage of Students Scoring at Proficient and Advanced Levels									
	Lasselle			VVUSD			CA

meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2010-11, Lasselle Elementary School qualified for Schoolwide funding and is therefore required to comply with program mandates. Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals.

Title I PI Status 2011-12		
	Lasselle	VVUSD
PI Status	Not in PI	Not in PI
First Year of PI Implementation	N/A	N/A
Year in PI	N/A	N/A
# Schools Currently In PI		0
% Schools Currently In PI		0%

The statistical information in this table reflects the PI status during the 2011-12 school year.

California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ay/.

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

Lasselle Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 2005; ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff.

Campus Description	
	Quantity
Year Built	2005
# of Permanent Classrooms	35
# of Portable Classrooms	0
# of Restrooms (student use)	6 sets & 6 unisex in K
Computer Lab	1
Health Office	1
Library	1
Multipurpose Room	1
Small Group Rooms	4
Staff Lounge	1
Teacher Work Room	1

2010-11 Campus Improvement Projects:
• Construction of a new 41-stall parking lot

SUPERVISION AND SAFETY

Each morning as students arrive on campus, one supervision aide is stationed in the cafeteria and assigned teachers are located on the playground to provide supervision and monitor behavior. During recess and lunch, supervision aides monitor student behavior and activities in the cafeteria and on the playground. Assigned teachers supervise during dismissal to ensure students leave campus in a safe and orderly manner. An instructional aide supervises and helps with late pickups.

Many individuals visit the campus as volunteers or to participate in school events. To maintain a safe and secure environment, all parents and visitors are required to check in at the school office upon arrival and present valid picture identification, obtain and wear a visitor's badge, and then return to the school office to sign out upon departure.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Lasselle Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed, updated, and shared with school staff in October 2011. Routine safety drills are held throughout the school year.

SCHOOL INSPECTIONS

Lasselle Elementary School and the Val Verde Unified School District's Maintenance and Operations Department (M&O) work together to ensure student safety and uphold high cleaning standards. M&O supervisors and school administration inspect facilities on a continual basis to identify and resolve concerns in a proactive and timely manner. The most recent

facilities inspection at Lasselle Elementary School took place on December 6, 2011. Schools are required by state law to report the condition of their facilities; the School Facility Good Repair Status table illustrated below identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2010-11 school year, 100% of student restrooms were fully operational and available for use.

MAINTENANCE & REPAIRS

School custodial staff and the district's maintenance department work together to ensure playing fields, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) continues to employ an electronic work order process to facilitate and improve services to Lasselle Elementary School. Teachers and school staff communicate unscheduled maintenance needs, urgent repairs, or special projects to designated custodial and office support staff who prepare and submit work orders to M&O for resolution.

DAILY CLEANING PRACTICES

One full-time day custodian and one full-time evening custodian are assigned to Lasselle Elementary School and work closely with the principal for routine maintenance, daily custodial duties, and special events. The principal and custodians communicate daily to discuss campus cleaning needs and safety concerns. Every morning before school begins, the custodian inspects facilities for safety hazards, graffiti, and other conditions that require immediate attention or removal prior to students and staff entering school grounds. The custodian checks restrooms at least five times throughout the day as a proactive measure to keep facilities fully stocked, safe, and sanitary.

Custodians are responsible for cleaning campus grounds, classrooms, restrooms, and common areas to ensure facilities remain in good working condition, clean, and safe for students, staff, and visitors. The custodians are required to inspect

School Facility Good Repair Status				
Item Inspected	Repair Status			
	Good	Fair	Poor	Repair Needed and Action Taken or Planned
Inspection Date: December 6, 2011				
Systems	✓			Room 602: dirty vents. SG2: air conditioning and heating unit is not working.

Safety	✓			
Structural	✓			
External	✓			Room 306: door needs adjusted, slams shut (injury hazard). Room 303: door lock not working correctly.
Overall Summary of School Facility Good Repair Status				
	Exemplary	Good	Fair	Poor
Overall Summary		✓		

Percentage Description Rating:

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

restrooms a minimum of two times a day and subsequently document restroom inspections in their daily inspection log. All custodians follow approved district standards and procedures for routine custodial functions and campus maintenance. Groundskeepers are on campus once a week and are responsible for general gardening and maintenance work such as trash and debris removal, landscaping care, irrigation system maintenance, and playing field maintenance.

Each custodian is provided one week of intensive training upon employment. Thereafter, training is coordinated by district maintenance supervisors and custodial staff meetings are held twice annually. Training activities in use of equipment and safety procedures are led by district risk management representatives, vendors, and department supervisors. The district's Operations Supervisor visits Lasselle Elementary School monthly to review custodial performance, discuss campus maintenance needs with the principal, evaluate conditions of the school facility, and follow up on outstanding work order requests.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

A safe, clean school and an effective learning program provide the basis for Lasselle Elementary School's discipline program. School staff support an environment that teaches students, through the daily curriculum, the skills to resolve conflicts and take responsibility for their decisions. The schoolwide discipline plan focuses on a positive approach to managing disruptive behavior; students are given the opportunity to learn from their mistakes and take responsibility in making good choices in an effort to take an active role in changing their behavior.

Suspensions and Expulsions			
	Lasselle		
	08-09	09-10	10-11
Suspensions (#)	42	38	33
Suspensions (%)	6.66%	4.61%	3.85%
Expulsions (#)	0	0	0
Expulsions (%)	0.00%	0.00%	0.00%
	VVUSD		
	All Elementary Schools		
	08-09	09-10	10-11
Suspensions (#)	355	409	307
Suspensions (%)	5.58%	4.66%	3.39%
Expulsions (#)	0	0	0
Expulsions (%)	0.01%	0.00%	0.00%

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for two days and then suspended a month later for three days is counted as two cases of suspension.

School and classroom rules are posted in each classroom. Students work together at the beginning of the year to collaborate and develop classroom rules. At the beginning of the school year, school rules, district policies, and academic expectations are (1) outlined in the "School Guide" (provided in both English and Spanish), (2) shared by teachers as part of the classroom orientation process and at Back to School Night, and (3) reinforced at behavior assemblies.

Progressive disciplinary measures begin in the classroom when students are disruptive or demonstrating poor citizenship. When students continue having difficulty following school rules, teachers refer students to the principal for further intervention. Consequences and disciplinary action are based upon the student's past behavioral trend and severity of infraction. Discipline measures are consistently applied in a fair and firm manner.

Lasselle Elementary School's behavior management program is built on a modified version of the Character Counts program which focuses on six pillars of character. Lasselle Elementary's pillars stand for T.R.R.F.C.C. - Trustworthy, Respectful, Responsible, Fair, Caring Citizens. The Character Counts system is embedded into the curriculum and student recognition programs. Staff members reward students demonstrating Character Counts behaviors.

Students demonstrating positive behavior or reaching academic goals are rewarded by their teachers with Safari Star Cards. Students may redeem their cards at the end of each trimester at the PTO-sponsored "Safari Exchange" for school related items such as games and/or books.

Once a month, teachers nominate two students from their class for the Student of the Month award; recipients are acknowledged for their outstanding efforts in academics and citizenship. The Student of the Month celebration can be viewed on "The Spot" video announcement program which can be accessed via a link to the school's website. Two students from the school are chosen each month for the Superintendent's Award in honor of their excellent efforts in academics and citizenship. At the end of each trimester, awards assemblies are held to recognize students for their achievements. Honors include Perfect Attendance, Honor Roll, and Principal's Honor Roll.

ENRICHMENT ACTIVITIES

Students have the opportunity to participate in extracurricular activities. The extracurricular/enrichment activities offered at Lasselle Elementary include Chess Club, Reading Club, Associated Student Council (ASC), and GATE (Gifted and Talented Education).

CLASS SIZE & TEACHING LOAD

The Class Size Distribution table in this report illustrates the distribution of class sizes for each grade level, the average class size, and the number of classes that contain 1-20 students, 21-31 students, and 33 or more students.

Class Size Distribution Self-Contained Classrooms			
2008-09

**Data for 2009-10 is unavailable from the CDE.*

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Val Verde Unified School District are aligned to the California State Content Standards and Frameworks. The district's Educational Services department selects staff development concentrations based on principal feedback, teacher survey results, California State Content Standards, district benchmark assessment results, and state standardized test results. During the 2010-11 school year, Val Verde Unified School District sponsored three formal days of staff development training in which teachers from Lasselle Elementary School attended. Training topics focused on leadership training and collaborative planning/articulation within core subject areas. A portion of staff development time was devoted to specific areas of need identified by each individual school site.

Staff Development Days Three-Year Trend		
2008-09	2009-10	2010-11
3	3	3

As a supplement to district-sponsored activities and in response to site-based goals, Lasselle Elementary's staff participated in weekly professional development activities on early release days. During the 2010-11 school year, site-based training focused on 1) combining research and best practices to implement effective teaching strategies, 2) use of data to inform instruction, and 3) integrating technology into the curriculum.

The district offers supplemental support year-round for new and ongoing programs tied to either specific strategies to improve student learning or district-adopted materials. Supplemental district-sponsored training sessions offered during the 2010-11 school year included:

- Collaborative Coaching and Learning (CCL) Training
- Core Content Articulation
- Doug Fisher's Gradual Release Model
- Articulated Instruction Model
- GLAD Strategies (Guided Language Acquisition Design)
- Intensive English/Language Arts Intervention -

- National Geographic *Inside*
- Special Education
- Step Up to Writing
- Thinking Maps
- Student Engagement Strategies
- District Benchmark Development
- Technology

A collaborative team of district administrators, instructional coaches, and school administrators is responsible for making informed decisions on improving classroom instruction, developing effective classroom strategies to increase student learning, and evaluating the progress of students meeting grade level standards. Establishing the agendas for ongoing professional development activities is based upon teacher input and results from formative and summative assessments acquired throughout the year. Using a combination of resources and techniques which include data analysis, lesson observation, lesson modeling, and teacher input, specific areas of strength and weakness are identified in classroom instruction and/or presentation of subject matter. In response, instructional practices are modified to increase the effectiveness of class lessons to subsequently improve student learning.

Lasselle Elementary School's instructional coach work directly with teaching staff to review student data, identify targeted areas of instructional needs, identify best teaching practices, and model/observe classroom instruction. Utilizing the Collaborative Coaching and Learning (CCL) model, the instructional coach facilitates staff development and collaboration activities by grade level and subject area to research, evaluate, and adjust instructional practices over a six- to eight- week period. Instructional modifications address the delivery and content of lessons that require, for example, reteaching or additional staff training. This approach to improving student achievement provides teachers with the opportunity to pinpoint specific gaps, by grade level and subject area, in the learning process.

Val Verde Unified School District welcomes new teachers and provides three days of intensive training to help them experience success in their new classrooms. For ongoing professional guidance, the district supports new and veteran teachers and instructional assistants in developing their teaching skills. Beginning Teacher Support and Assessment (BTSA), a state-sponsored program, is designed for first- and second-year credentialed teachers and provides skills assistance over a two-year period. The Peer Assistance and Review program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the district and Riverside County Office of Education. Professional and subject-specific offerings are consistent with the California Content Standards.

Special education staff, resource specialist staff, bilingual aides, and instructional aides receive customized training to support the district's educational programs and develop strategies to increase effectiveness in teaching practices. Classified support staff receive job-related training from vendors, department supervisors, and district representatives; training activities and workshops are designed to enhance and extend job performance. Long-term substitute teachers may be encouraged to participate in district-sponsored activities to enhance their understanding of Val Verde Unified School District's curriculum and classroom management practices.

SCHOOL LEADERSHIP

Leadership at Lasselle Elementary is a responsibility shared among the principal, teachers, and parents. The principal is responsible for the day-to-day operations and overall curriculum. The school's leadership team, grade level teams, program facilitators, and School Site Council share in the decision-making and administrative processes to create an effective, safe, and nurturing learning environment.

The school's leadership team, comprised of the principal, grade level facilitators, and program facilitators, meets bimonthly to collaboratively address school issues, operational concerns, and staff development needs. Team members are responsible for supporting the principal in leading program implementation within their areas of responsibility and serving as a liaison to their respective teams.

The School Site Council (SSC), consisting of school staff and parents, is a major governing body that meets monthly to address school programs, discuss progress in meeting school goals, and serve as a liaison between the community and school administration. On an annual basis, the SSC is responsible for reviewing and approving the school site plan, safety plan, and budget.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Val Verde Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On September 13, 2011, the Val Verde Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #11-12-06 which certifies as required by Education Code §60119 1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a standards-aligned textbook or instructional materials, or both, to use in class and to take home, 2) sufficient textbooks and instructional materials were provided to each

The textbooks and instructional materials used by the school are selected from the State Board of Education's most recent adoption.

Textbook information was obtained from district office personnel in September 2011.

student, including English learners, that are aligned to the academic content standards and are consistent with the cycles and content of the curriculum frameworks in mathematics, science, history-social science, and English/language arts, including the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive. Within a six-week period prior to adoption, parents may preview recommended instructional materials at the district office or the school's office.

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instruction materials used for its visual/performing arts curricula. During the 2011-12 school year, Val Verde Unified School District certifies that each student, including English learners, enrolled in a visual/performing arts class has been provided with a textbook or supplemental materials to use in class and to take home. These materials comply with the state's content standards and curriculum frameworks.

SPECIALIZED INSTRUCTION

All curriculum and instruction is aligned to the California State Content Standards and Frameworks and approved by the State Board of Education. Every child receives a rigorous, well-balanced standards-aligned core program. Lasselle Elementary School structures its educational program so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques using research-based instructional materials and strategies.

SPECIAL EDUCATION

Lasselle Elementary's special education program is staffed by two special education teachers, an itinerant special education teacher, and three special education aides. Each student is provided instruction within and outside the general education environment based upon their IEP. The IEP ensures that students with disabilities have equal access to core curriculum and educational opportunities and is used to coordinate specially-designed instruction based upon individual academic, social, and behavioral needs. Each student's IEP is reviewed and updated annually by the IEP team.

ENGLISH LEARNER INSTRUCTION

All of Lasselle Elementary's teachers are certified and trained to provide instruction for students identified as English Learners (EL). EL students receive English Language Development (ELD) instruction by their class teacher for 30 minutes a day as a supplement to their regular language arts curriculum. Using specially-designed Houghton Mifflin materials, ELD instruction focuses on reading development, verbal language development, and vocabulary building. One bilingual aide collaborates with class teachers to provide in-class small group support based upon individual student needs. As students increase

fluency in the English language, Lasselle Elementary School continues to monitor student performance through CELDT results, benchmark assessments, and classroom observation to adjust instruction as needed to ensure continued success in acquiring the English language and proficiency in reading/language arts.

GIFTED AND TALENTED EDUCATION

Lasselle Elementary School offers a Gifted and Talented Education program for students who have been recognized as high achievers by their teachers and through district testing. GATE students are clustered by grade level to receive accelerated, differentiated instruction that offers more depth and complexity throughout the curriculum. GATE students are invited to participate in after-school activities held once a week; theme-based activities focus on special projects.

INTERVENTION PROGRAMS

Lasselle Elementary School supports intervention programs to meet the needs of those students not meeting state proficiency standards in reading, language arts, and math. Student Success Teams comprised of school administrators, teachers, and parents work together to identify individualized intervention strategies for and monitor progress of students having difficulty with academic or social development. Formal intervention programs include:

- Reading Club: before-school program for students in grades 1-5 who are referred by their teachers to participate. The Literacy Coordinator trains fifth grade tutors to lead small group reading sessions and reading activities to address the individual learning needs of participating students. Reading Club is held for 30 minutes four days a week.
- Safari Math and Safari Reading: after-school program for students in grades 1-5 who are performing at the below basic level in math,

reading, and language arts. Certificated teachers provide 45-60 minutes of instruction two days a week. Activities focus on standards-based lessons customized to address each participating student's areas of need.

- Think Together: students are referred by teachers or their parents to the program. Students are engaged in a highly structured program that provides homework assistance, tutoring, enrichment, recreational activities, and sports. Think Together is offered after school until 6:00 p.m. five days a week.

PROFESSIONAL STAFF

TEACHER ASSIGNMENT

Lasselle Elementary School recruits and employs only the most qualified credentialed teachers. For the 2010-11 school year, the school employed 32 fully credentialed teachers. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant". Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

In the following table which identifies the number of classrooms taught and not taught by NCLB compliant teachers, high poverty schools are defined as those schools with student participation of approximately 75% or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25% or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

TEACHER EVALUATIONS

Evaluation procedures and criteria adopted by the Val Verde Unified School District are defined in the district's collective bargaining agreement. Teacher evaluation criteria are based on the California Standards for the Teaching Profession.

Probationary teachers are formally evaluated annually and observed frequently. Tenured teachers are evaluated once every two years. Teachers meeting specific criteria may choose to be evaluated every five years. Evaluations are conducted by the principal who has been trained and certified for competency to perform teacher evaluations.

SUPPORT SERVICES STAFF

Support services staff consist of psychologists, nurses, health technicians, and special education service providers. Through close collaboration, this expert team is instrumental in improving student attendance and achievement through the identification, referral, and remediation of health and/or emotional concerns.

Counselors and Support Personnel (Nonteaching Professional Staff)

2010-11

	No. of Staff	
	Staff	FTE
Academic Counselor	0	
Nurse	1	0.2
Psychologist	1	0.4
Speech & Language Pathologist	1	0.5

FTE = Full-Time Equivalent

The psychologist assists with academic, social, and emotional issues; provides assessments to determine eligibility for Special Education services; and facilitates coordination of Individual Education Plans (IEP). The school nurse conducts health screening programs; health technicians provide basic aid. As a participating member of the Riverside County Special Education Local Plan Area (SELPA), Val Verde Unified School District and Lasselle Elementary School have access to a full complement of professional resources and services to meet the individual needs of its students with disabilities.

SUBSTITUTE TEACHERS

The district's Human Resources Department makes every effort to select the most qualified substitute teacher for the respective day's assignment. During the 2010-11 school year, Val Verde Unified School District's pool of substitutes was comprised of 206 teachers; the majority of substitutes were aspiring teachers, retired and semi-retired teachers, and career substitutes. Applicants seeking a position as a substitute must have passed the CBEST (California Basic Educational Skills Test) and possess a bachelor's degree.

DISTRICT EXPENDITURES

SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

EXPENDITURES PER STUDENT

For the 2009-10 school year, Val Verde Unified School District spent an average of \$6,740 of total general funds to educate each student (based on 2009-10 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Salary Comparison 2009-10

	VVUSD	State
		Average of Districts in Same Category
Beginning Teacher Salary	42,247	41,035
Mid-Range Teacher Salary	68,497	65,412
Highest Teacher Salary	83,488	84,837
Average Principal Salaries:		
Elementary School	108,415	106,217
Middle School	122,648	111,763
High School	116,016	121,538
Superintendent Salary	201,400	197,275
Percentage of Budget For:		
Teacher Salaries	15.0	39.0
Administrative Salaries	2.0	5.0

Current Expense of Education Per Pupil

2009-10

Expenditures Per Pupil	Dollars Spent Per Student				
	Lasselle	VVUSD	State Average		
			% Difference - School and District	for Districts of Same Size and Type	% Difference - School and State
Total Restricted and Unrestricted	4,018	4,706	85.4%	N/A	N/A
Restricted (Supplemental)	563	810	69.4%	N/A	N/A

Average Teacher Salary	65,465	66,474	98.5%	67,667	98.2%

In addition to general fund state funding, Val Verde Unified School District receives state and federal categorical funding for special programs. For the 2009-10 school year, the district received federal, state, and local aid for the following categorical, special education, and support programs:

- ARRA: State Fiscal Stabilization Fund
- Economic Impact Aid (EIA)
- English Language Acquisition Program, Teacher Training and Student Assistance
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- NCLB Title I, II, III, IV, X
- Other Local
- Special Education
- Tobacco-Use Prevention Education
- Transportation
- Transportation: Special Education
- Vocational Programs

SARC DATA & INTERNET ACCESS

DATAQUEST

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Lasselle Elementary School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability including but not limited to API, AYP, STAR results, enrollment, and staffing.

PUBLIC INTERNET ACCESS LOCATION

Parents may access Lasselle Elementary School's SARC and access the internet at any of the county's public libraries. The closest library to Lasselle Elementary School is Moreno Valley Public Library located at 25480 Alessandro Blvd., Moreno Valley, CA 92553.
