The statistical information disclosed in this report is obtained from the California Department of Education and the Val Verde Unified School District. At the time of publishing, this report met all SARC-related state and federal requirements, using the most current data available. Instructional materials information was acquired in September 2011 and school facilities information was acquired in January 2012.

AN ANNUAL REPORT TO THE COMMUNITY

2010-11 SCHOOL ACTIVITY PUBLISHED IN JANUARY 2012

A MESSAGE FROM THE PRINCIPAL

Welcome to Mead Valley Elementary School "Home of the Dolphins"! At Mead Valley we take pride in our mission to raise student achievement, create good citizens, and direct students toward the path of higher learning. Our highly qualified teachers engage students in the California standards with the idea that students can obtain mastery of the skills and strategies being taught. In 2011 we met and exceeded our API goal of 801 with an API score of 832. With the community, teachers, administration, and students all working together as one, we set our goals and work hard to achieve them. I am looking forward to the 2011-12 school year and the opportunity to meet each and every one of you. If you have any questions or concerns, please don't hesitate to call.

SCHOOL FOCUS

The focus of our vision is on schoolwide student achievement. The California State Standards are used to plan instructional activities, develop materials, and modify assignments to ensure that all students are successful in the core curriculum. The Leadership Team and grade level chairs plan and coordinate staff development according to: the Categorical Program Monitoring, needs assessment, staff questionnaire, and Single Plan for Student Achievement. This comprehensive plan unifies School Improvement Plan, Title I, Gifted and Talented Education, Eisenhower, and EIA funding, as well as the Safe and Drug Free School Communities (SDFSC) to improve student performance in Language Arts, Mathematics, Science, Physical Education, Fine Arts, Music, and Social Science.

Mead Valley Elementary School is a Professional Learning Community that motivates and assists all students to meet or exceed academic standards in a safe environment while promoting character building.

DISTRICT & SCHOOL PROFILE

Val Verde Unified School District is located in the heart of the Inland Empire, approximately 72 miles east of Los Angeles. Neighboring the district and its communities are March Air Force Base and the Lake Perris recreational area. During

the 2010-11 school year, the district's schools served more than 19,500 students residing in the rural and suburban communities of Perris, Moreno Valley, and portions of unincorporated Riverside County. The district currently operates a preschool, 12 elementary schools, 4 middle schools, 2 comprehensive high schools, a student success academy, a virtual academy, and a continuation high school.

During the 2010-11 school year, Mead Valley Elementary School served 645 students in grades K-5. Student enrollment included 8.5% receiving special education services, 51% qualifying for English learner support, and 89.7% qualifying for free or reduced-price meals. Mead Valley earned the California Business for Education Excellence Foundation Honor Roll Award in 2008 and 2010 in recognition of its consistent growth in student achievement.

Percentage of Students by Ethnicity/Grade Level 2010-11			
Ethnic Group	%	Grade Level	#
African American	3.9%	Kindergarten	120
American Indian or Alaskan Native	0.2%	Grade 1	99
Asian	0.6%	Grade 2	109
Filipino	0.5%	Grade 3	104
Hawaiian or Pacific Islander	0.0%	Grade 4	94
Hispanic or Latino	84.8%	Grade 5	119
White (not Hispanic)	9.3%	Grade 6	-
Two or More Races	0.6%	Grade 7	-
		Grade 8	-
Total Enrollment			645

PARENT INVOLVEMENT

Parent involvement is a vital component to school and student success. Mead Valley Elementary School offers a wide variety of opportunities for parents to support the school and their child's academic efforts through volunteering or simply attending school events. Parents seeking more information or who are interested in participating in any of the activities listed below may contact their child's teacher at (951) 940-8540.

Volunteer to Help:

- In the classroom and library
- Chaperone field trips
- With special events sponsorship and support

Join Leadership Groups:

- School Site Council
- English Learner Advisory Council
- Parent Teacher Organization (PTO)

Attend Special Events & Workshops:

- Back to School Night
- English as a Second Language Classes for parents
- Student performances
- Parent information workshops
- Parent conferences
- Rosetta Stone Parent Workshops in the Computer Lab
- Student recognition assemblies
- Family Nights

School-to-home communication is provided in both English and Spanish through TeleParent and notices, flyers, banners, and letters which are prepared by the principal and teachers as needed throughout the year to keep parents updated on school policy changes, committee meeting dates/news, school activities, and special announcements.

STUDENT ACHIEVEMENT

To obtain accurate and valid measures of educational progress, Mead Valley Elementary School offers students multiple opportunities to demonstrate mastery in each of the core subject areas. Multiple assessments of student achievement are analyzed to monitor student progress and to evaluate the effectiveness of the instructional program. These assessments include teacher tests, classroom observation, report card grades, benchmark assessments, summative tests, and results of standardized tests.

ADEQUATE YEARLY PROGRESS

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones

helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2010-11 AYP cycle, elementary and middle schools must achieve a 67.6% or higher proficiency rate in English/Language Arts and 68.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 710 or higher or increasing the API growth by one point.

The AYP table in this report illustrates the school's progress in meeting 2010-11 AYP target rates. More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

DISTRICT BENCHMARK ASSESSMENTS

Val Verde Unified School District uses a variety of tools to evaluate and analyze student learning. District benchmark assessments supplement multiple measures of assessment to identify students' mastery of subject matter and skill levels.

District benchmark assessments are in alignment with California State Content Standards and Frameworks and are comprised of both formative and summative assessments given in math, reading, and language arts. During the 2010-11 school year, all students in grades 1-5 were tested three times throughout the school year to identify subject area mastery and specific gaps in the learning process. Students in grades 7-12 were evaluated twice throughout the year to determine course grades and levels of content mastery.

Multiple measures of assessment are used to identify student progress, understanding of state content standards, and mastery of subject area matter/concepts. These measures include: state standardized tests, end-of-unit exams, and classroom observations. Collectively, the benchmark assessments and multiple measures aids teachers in 1) identifying areas where instruction may or may not be effective, 2) guiding classroom instruction practices and strategies, and 3) identifying students who need targeted academic assistance or intervention. Teachers and administrators are able to pinpoint any deficiencies or gaps in the learning process, identifying very specific skill sets and subject area content that needs to be retaught, reinforced, or revised to ensure every student obtains a solid foundation for future success in learning.

CALIFORNIA ENGLISH LANGUAGE DEVELOPMENT TEST

State law requires schools to give the California English Language Development Test (CELDT) to students in grades kindergarten through twelve whose home language is not English. The test identifies the student's proficiency level of understanding of the English language, monitors their progress in learning English if placed in the

English Learner program, and helps determine if they have achieved proficiency in the English language.

STANDARDIZED STATE ASSESSMENTS

Students at Mead Valley Elementary School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with other students in the state who took the same test. The STAR is comprised of a series of four components: the California Standards Tests (CST), the California Alternative Performance Assessment (CAPA), the California Modified Assessment (CMA), and Standards-based Tests in Spanish (STS).

The STAR tables in this report illustrate the percentage of students achieving Proficient and Advanced levels of proficiency. Results are shown only for subgroups with ten students or more taking the exam. Detailed results by grade level for each student group can be obtained from the California Department of Education's website <http://star.cde.ca.gov>.

CALIFORNIA STANDARDS TEST

California Standards Tests assess student performance on the California Academic Content Standards adopted by the State Board of Education. Performance standards identify the level of student mastery of the content standards tested. The state target for every student is to score at the Advanced or Proficient level. Students scoring at the Far Below Basic, Below Basic, and Basic levels may receive differentiated instruction through school intervention programs designed to increase student proficiency levels to meet grade level standards.

PHYSICAL FITNESS

In the spring of each year, Mead Valley Elementary School is required by the state to administer a physical fitness test to all students in the fifth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative district and state results can be found at the CDE's website <http://www.cde.ca.gov/ta/tg/pfi>.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2010-11			
Grade(s) Tested	Number of Standards Met:		
	4 of 6	5 of 6	6 of 6
Fifth	12%	37%	17%

ACADEMIC PERFORMANCE INDEX

The state Academic Performance Index (API) was launched by the California Department of Education in 1999 to measure the performance and progress of schools based on STAR and CAHSEE testing results. (Note: CAHSEE

is the California High School Exit Exam administered to students in grades 10-12 as part of the state's graduation requirements.) The API is used to develop annual schoolwide performance growth targets for future academic improvement.

The API table in this report highlights Mead Valley Elementary School's progress over the past three years. To maintain confidentiality, results are reported for numerically significant subgroups only. Numerically significant subgroups are comprised of 1) at least 100 students with valid test scores or 2) at least 50 valid scores comprising at least 15% of the valid test scores. More information about API can be found at www.cde.ca.gov/ta/ac/ap/.

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2010-11, Mead Valley Elementary School qualified for Schoolwide funding and is therefore required to comply with program mandates. Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals.

California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and

SCHOOL FACILITIES & SAFETY

FACILITIES PROFILE

Mead Valley Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1967; ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff.

Campus Description	
Year Built	1967
Acreage	10.43
Bldg. Square Footage	49391
	Quantity
# of Permanent Classrooms	28
# of Portable Classrooms	3
# of Restrooms (student use)	3 sets
Computer Lab	1
Library	1
Multipurpose Room	1
Staff Lounge	1
Teacher Work Room	1

2011-12 Campus Improvement Projects:

- Construction of kindergarten building
- Installation and connection to sewer system

SUPERVISION & SAFETY

Each morning as students arrive on campus, teachers are strategically stationed in designated areas and the principal, teachers and staff circulate through the campus to monitor activities and behavior. Teachers and staff, are assigned to the cafeteria to monitor students receiving breakfast. During recess, four supervision aides monitor students on the playground. During the lunch recess, four supervision aides are responsible for monitoring student behavior and activities in the cafeteria and on the playground. When students are dismissed at the end of the day, teachers escort their students to and remain at the dismissal gate area to ensure students leave campus in a safe and orderly manner.

Many individuals visit the campus as volunteers or to participate in school events. To maintain

a safe and secure environment, all parents and visitors are required to check in at the school office upon arrival and present valid picture identification, obtain and wear a visitor's badge, and then return to the school office upon departure.

MAINTENANCE AND REPAIRS

School custodial staff and the district's maintenance department work together to ensure playing fields, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) continues to employ an electronic work order process to facilitate and improve services to Mead Valley Elementary School. Teachers and school staff communicate unscheduled maintenance needs, urgent repairs, or special projects to designated custodial and office support staff who prepare and submit work orders to M&O for resolution. Emergency situations are immediately resolved either by the school custodian or district maintenance staff.

DAILY CLEANING PRACTICES

One full-time day custodian, one full-time afternoon custodian, and one groundskeeper are assigned to Mead Valley Elementary School and work closely with the principal for routine maintenance, daily custodial duties, and special events. The principal and custodians communicate as needed with walkie-talkies to discuss campus cleaning needs and safety concerns. Every morning before school begins, the principal and custodians inspect facilities for safety hazards, graffiti, and other conditions that require immediate attention or removal prior to students and staff entering school grounds. The custodians and principal check student restrooms every two hours as a proactive measure to keep restrooms fully stocked, safe, and sanitary.

Custodians are responsible for cleaning campus grounds, classrooms, restrooms, and common areas to ensure facilities remain in good working condition, clean, and safe for students, staff, and visitors. The custodians are required to inspect

restrooms a minimum of two times a day and subsequently document restroom inspections in their daily inspection log. All custodians follow approved district standards and procedures for routine custodial functions and campus maintenance. The groundskeeper is responsible for general gardening and maintenance work such as trash and debris removal, landscaping care, irrigation system maintenance, and playing field maintenance.

Each custodian is provided one week of intensive training upon employment. Thereafter, training is coordinated by district maintenance supervisors and custodial staff meetings are held twice annually. Training activities in use of equipment and safety procedures are led by district risk management representatives, vendors, and department supervisors. The district's Operations Supervisor visits Mead Valley Elementary School monthly to review custodial performance, discuss campus maintenance needs with the principal, evaluate conditions of the school facility, and follow up on outstanding work order requests.

SCHOOL SITE SAFETY PLAN

The Comprehensive School Site Safety Plan was developed for Mead Valley Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed, updated, and shared with school staff in October 2011.

SCHOOL INSPECTIONS

Mead Valley Elementary School and the Val Verde Unified School District's Maintenance and Operations Department (M&O) work together to ensure student safety and uphold high cleaning standards. M&O supervisors and school administration inspect facilities on a continual basis to identify and resolve concerns in a proactive and timely manner. The most recent

Percentage Description Rating:

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

facilities inspection at Mead Valley Elementary School took place on December 8, 2011. Schools are required by state law to report the condition of their facilities; the School Facility Good Repair Status table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During 2010-11 school year, 100% of student restrooms were fully operational and available to students at all times.

CLASSROOM ENVIRONMENT

DISCIPLINE & CLIMATE FOR LEARNING

A safe, clean school and an effective learning program provide the basis for Mead Valley Elementary School's discipline program and character code of conduct. School staff take a prompt, proactive approach to minimize disruptive behavior through praise and positive reinforcement. Students are given the opportunity to learn from their mistakes, make good choices, and take an active role in correcting their behavior.

School and classroom rules are posted in each classroom. At the beginning of the school year, school rules, district policies, and academic expectations are 1) outlined in the student handbook, 2) shared with students as part of the classroom orientation process, and 3) reinforced at grade level assemblies. Students are reminded throughout the year during morning announcements, at assemblies, in monthly letters, and in school bulletins to conduct themselves in a safe and respectful manner.

Progressive disciplinary measures begin in the classroom when students are disruptive or demonstrating poor citizenship. When students continue having difficulty following school rules, teachers refer students to the principal for further intervention. Consequences and disciplinary action are based upon the Administrative Disciplinary Handbook. Discipline measures are consistently applied in a fair and firm manner.

Suspensions and Expulsions			
	Mead Valley		
	08-09	09-10	10-11
Suspensions (#)	60	23	10
Suspensions (%)	8.90%	3.54%	1.55%
Expulsions (#)	0	0	0
Expulsions (%)	0.00%	0.00%	0.00%
VVUSD			
	All Elementary Schools		
	08-09	09-10	10-11
Suspensions (#)	355	409	307
Suspensions (%)	5.58%	4.66%	3.39%
Expulsions (#)	0	0	0
Expulsions (%)	0.01%	0.00%	0.00%

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for two days and then suspended a month later for three days is counted as two cases of suspension.

Positive behavior and good citizenship are celebrated on a daily basis and recognized by teachers and administrators through schoolwide and classroom incentive programs. Teachers select students demonstrating good citizenship or academic effort for Student of the Month awards. Some teachers conduct in-class ceremonies to recognize students for specific behavioral and academic accomplishments in alignment with schoolwide rules and content areas. At the end of each trimester, awards assemblies are held to recognize students earning Honor Roll and Principal's Honor Roll placement, Top Citizen Awards, Perfect Attendance Awards and Writing Awards.

ENRICHMENT ACTIVITIES

Students are encouraged to participate in the school's many academic enrichment and extracurricular activities. These activities promote the development of interests and skills outside the standard curriculum. Before school starts each morning, parents, teachers, and students are invited to meet in the library to participate in the Dolphin Reading Club.

CLASS SIZE & TEACHING LOAD

The Class Size Distribution table in this report illustrates the distribution of class sizes for each grade level, the average class size, and the number of classes that contain 1-20 students, 21-31 students, and 33 or more students.

Class Size Distribution Self-Contained Classrooms

5	24.4	1	4	

**Data for 2009-10 is unavailable from the CDE.*

CURRICULUM & INSTRUCTION

STAFF DEVELOPMENT

All curriculum and instructional improvement activities at Val Verde Unified School District are aligned to the California State Content Standards and Frameworks. The district's Educational Services department selects staff development concentrations based on principal feedback, teacher survey results, California State Content Standards, district benchmark assessment results, and state standardized test results. During the 2010-11 school year, Val Verde Unified School District sponsored three formal days of staff development training in which

teachers from Mead Valley Elementary School attended. Training topics focused on leadership training and collaborative planning/articulation within core subject areas. A portion of staff development time was devoted to specific areas of need identified by each individual school site.

Staff Development Days Three-Year Trend		
2008-09	2009-10	2010-11
3	3	3

As a supplement to district-sponsored activities and in response to site-based goals, Mead Valley Elementary's staff participated in weekly professional development activities on early release days. During the 2010-11 school year, site-based training focused on strategies to differentiate instruction and presentation of writing, test preparation, English/language arts, and math instruction.

The district offers supplemental support year-round for new and ongoing programs tied to either specific strategies to improve student learning or district-adopted materials. Supplemental district-sponsored training sessions offered during the 2010-11 school year included:

- Collaborative Coaching and Learning (CCL) Training
- Core Content Articulation
- Doug Fisher's Gradual Release Model
- Articulated Instruction Model
- GLAD Strategies (Guided Language Acquisition Design)
- Intensive English/Language Arts Intervention National Geographic *Inside*
- Special Education
- Step Up to Writing
- Thinking Maps
- Student Engagement Strategies
- District Benchmark Development
- Technology

A collaborative team of district administrators, instructional coaches, and school administrators is responsible for making informed decisions on improving classroom instruction, developing effective classroom strategies to increase student learning, and evaluating the progress of students meeting grade level standards. Establishing the agendas for ongoing professional development activities is based upon teacher input and results from formative and summative assessments acquired throughout the year. Using a combination of resources and techniques which include data analysis, lesson observation, lesson modeling, and teacher input, specific areas of strength and weakness are identified in classroom instruction and/or presentation of subject matter. In response, instructional practices are modified to increase the effectiveness of class lessons to subsequently improve student learning.

Mead Valley Elementary School's instructional coach works directly with teaching staff to review student data, identify targeted areas of instructional needs, identify best teaching practices, and model/observe classroom instruction (referred to as the Collaborative

Coaching Model). The instructional coach facilitates staff development and collaboration activities by grade level and subject area to research, evaluate, and adjust instructional practices over a six- to eight- week period. Instructional modifications address the delivery and content of lessons that require, for example, reteaching or additional staff training. This approach to improving student achievement provides teachers with the opportunity to pinpoint specific gaps, by grade level and subject area, in the learning process.

Val Verde Unified School District welcomes new teachers and provides three days of intensive training to help them experience success in their new classrooms. For ongoing professional guidance, the district supports new and veteran teachers and instructional assistants in developing their teaching skills. Beginning Teacher Support and Assessment (BTSA), a state-sponsored program, is designed for first- and second-year credentialed teachers and provides skills assistance over a two-year period. The Peer Assistance and Review program is designed to improve the education of students and increase the classroom performance of teachers, targeting both new and veteran teachers.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the district and Riverside County Office of Education. Professional and subject-specific offerings are consistent with the California Content Standards.

Special education staff, resource specialist staff, bilingual aides, and instructional aides receive customized training to support the district's educational programs and develop strategies to increase effectiveness in teaching practices. Classified support staff receive job-related training from vendors, department supervisors, and district representatives; training activities and workshops are designed to enhance and extend job performance. Long-term substitute teachers may be encouraged to participate in district-sponsored activities to enhance their understanding of Val Verde Unified School District's curriculum and classroom management practices.

SCHOOL LEADERSHIP

Leadership at Mead Valley Elementary School is a responsibility shared among administrators, teachers, and parents. Principal Anu Menon, the school leadership team, grade level teams, program facilitators, and School Site Council share in the decision-making and administrative processes to create an effective, safe, and nurturing learning environment.

The school's leadership team, comprised of the principal, grade level leaders, and literacy coordinator, meets monthly to provide input and feedback regarding grade level concerns and practices. Team members are responsible for overseeing assigned tasks/projects as well as serving as a liaison to their respective grade level teams or programs.

The School Site Council (SSC), consisting of the principal, teachers, classified staff, and parents is a major governing body that meets monthly to address school programs, discuss progress in meeting school goals, and serve as a liaison between the community and school administration. On an annual basis, the SSC is responsible for collaborating and approving the simple plan for student achievement and safety plan.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Val Verde Unified School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On September 13, 2011, the Val Verde Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #11-12-06 which certifies as required by Education Code §60119 that 1) textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a standards-aligned textbook or instructional materials, or both, to use in class and to take home, 2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are

aligned to the academic content standards and are consistent with the cycles and content of the curriculum frameworks in mathematics, science, history-social science, and English/language arts, including the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive. Within a six-week period prior to adoption, parents may preview recommended instructional materials at the district office or the school's office.

In addition to the core subject areas, districts are required to disclose in their SARC's the sufficiency of instruction materials used for its visual/performing arts curricula. During the 2011-12 school year, Val Verde Unified School District certifies that each student, including English learners, enrolled in a visual/performing arts class has been provided with a textbook or supplemental materials to use in class and to take home. These materials comply with the state's content standards and curriculum frameworks.

SPECIALIZED INSTRUCTION

All curriculum and instruction is aligned to the California State Content Standards and Frameworks approved by the State Board of Education. Every child receives a rigorous, well-balanced standards-aligned core program. Mead Valley Elementary School structures its educational program so that all students receive instruction appropriate to their learning level. To ensure the success of every student, teachers use a variety of instructional techniques using research-based instructional materials and strategies.

The textbooks and instructional materials used by the school are selected from the State Board of Education's most recent adoption.

Textbook information was obtained from district office personnel in September 2011.

SPECIAL EDUCATION

Special education students are mainstreamed into the general education classroom based upon their IEP (Individual Education Plan) and provided instruction in the least restrictive environment. Special education teachers, special education aides, and general education teachers collaboratively utilize a team-oriented approach to provide maximum levels of instruction in the general education environment. For a portion of the regular school day, students may receive individual and/or small group instruction from special education staff in the Learning Center. A District Program Specialist meets with special education teachers regularly to provide support and assistance in developing student teaching schedules and allocating staff resources.

Each student is provided instruction based upon their IEP, which is reviewed and updated annually by the school's IEP teams. The IEP ensures that students with disabilities have equal access to core curriculum and educational opportunities and is used to coordinate specially-designed instruction based upon individual academic, social, and behavior needs.

ENGLISH LEARNER INSTRUCTION

All of Mead Valley Elementary School's teachers are certified and trained to provide instruction for students identified as English Learners (EL). Beginning level EL students receive English Language Development (ELD) instruction by their class teacher for 30 minutes a day as a supplement to their regular language arts curriculum. ELD Instruction focuses on reading development, verbal language development, and vocabulary building. Two bilingual aides collaborate with class teachers to provide individual and small group support in the general education classroom. As students increase fluency in the English language, Mead Valley Elementary School continues to monitor student performance through CELDT results, benchmark assessments, and classroom observation to adjust instruction as needed to ensure continued success in acquiring the English Language and proficiency in reading/language arts.

GIFTED AND TALENTED EDUCATION

Mead Valley Elementary School offers a Gifted and Talented Education program for students who have been recognized as high achievers by their teachers and through district testing. Both GATE and non-GATE high achievers are clustered by grade level to receive accelerated, differentiated instruction that offers more depth and complexity throughout the curriculum. GATE students may participate in supplemental language arts enrichment activities.

INTERVENTION PROGRAMS

Mead Valley Elementary School supports intervention programs to meet the needs of those students not meeting state proficiency standards in reading, language arts, and math. Response to Intervention teams comprised of school administrators, teachers, and parents work together to identify individualized

intervention strategies for and monitor progress of students having difficulty with academic or social development. Formal intervention programs include:

- Small Group Instruction: at designated time periods during the school day, students may receive small group targeted instruction from certificated teachers based upon their individual learning needs in reading, language arts, and/or math. Instruction takes place on an as-needed basis both in and outside the general education classroom.
- Students in grades 2-5 receive targeted instruction on focus standards in the areas of English language arts and math for 30 minutes twice a week. Students are grouped in homogeneous groupings to better address the needs of our students.
- Students visit the computer lab with their class to participate in 45 minutes of targeted language arts and math instruction.
- The instructional coach leads skill-based instruction in the computer lab for students performing at the below basic and far below basic levels in language arts and math.

PROFESSIONAL STAFF

TEACHER ASSIGNMENT

Mead Valley Elementary School recruits and employs only the most qualified credentialed teachers. For the 2010-11 school year, the school employed 26 fully credentialed teachers. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant". Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

In the table below which identifies the number of classrooms taught and not taught by NCLB compliant teachers, high poverty schools are defined as those schools with student participation of approximately 75% or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25% or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

SUPPORT SERVICES STAFF

Support services staff consist of psychologists, nurses, health technicians, and special education service providers. Through close collaboration, this expert team is instrumental in improving student attendance and achievement through the identification, referral, and remediation of health and/or emotional concerns.

The psychologist assists with academic, social, and emotional issues; provides assessments to determine eligibility for Special Education services; and facilitates coordination of Individual Education Plans (IEP). The school nurse conducts health screening programs; health technicians provide basic aid. As a participating member of the Riverside County Special Education Local Plan Area (SELPA), Val Verde Unified School District and Mead Valley Elementary School have access to a full complement of professional resources and services to meet the individual needs of its students with disabilities.

TEACHER EVALUATIONS

Evaluation procedures and criteria adopted by the Val Verde Unified School District are defined in the district's collective bargaining agreement. Teacher evaluation criteria are based on the California Standards for the Teaching Profession. Probationary teachers are formally evaluated annually and observed frequently. Tenured teachers are evaluated once every two years. Teachers meeting specific criteria may choose to receive their evaluation once every five years. Evaluations are conducted by the principal who has been trained and certified for competency to perform teacher evaluations.

SUBSTITUTE TEACHERS

The district's Human Resources Department makes every effort to select the most qualified substitute teacher for the respective day's assignment. During the 2010-11 school year, Val Verde Unified School District's pool of substitutes was comprised of 206 teachers; the majority of substitutes were aspiring teachers, retired and semi-retired teachers, and career substitutes. Applicants seeking a position as a substitute must have passed the CBEST (California Basic Educational Skills Test) and possess a bachelor's degree.

SARC DATA & INTERNET ACCESS

DATAQUEST

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Mead Valley Elementary School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability including but not limited to API, AYP, STAR results, enrollment, and staffing.

PUBLIC INTERNET ACCESS LOCATION

Parents may access Mead Valley Elementary School's SARC and access the internet at any of the county's public libraries. The closest library to Mead Valley Elementary School is Perris Branch Public Library located at 163 E. San Jacinto Avenue, Perris, CA 92570.

DISTRICT EXPENDITURES

SALARY & BUDGET COMPARISON

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

EXPENDITURES PER STUDENT

For the 2009-10 school year, Val Verde Unified School District spent an average of \$6,740 of total general funds to educate each student (based on 2009-10 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Salary Comparison 2009-10		
	VVUSD	State Average of Districts in Same Category
Beginning Teacher Salary	42,247	41,035
Mid-Range Teacher Salary	68,497	65,412
Highest Teacher Salary	83,488	84,837
Average Principal Salaries:		
Elementary School	108,415	106,217
Middle School	122,648	111,763
High School	116,016	121,538
Superintendent Salary	201,400	197,275
Percentage of Budget For:		
Teacher Salaries	15.0	39.0
Administrative Salaries	2.0	5.0

Current Expense of Education Per Pupil 2009-10					
Dollars Spent Per Student					
Expenditures Per Pupil	Mead Valley	VVUSD	% Difference - School and District	State Average for Districts of Same Size and Type	% Difference - School and State
Total Restricted and Unrestricted	4,687	4,706	99.6%	N/A	N/A
Restricted (Supplemental)	732	810	90.4%	N/A	N/A
Unrestricted (Basic)	3,955	3,896	101.5%	5,455	71.4%
Average Teacher Salary	66,313	66,474	99.8%	67,667	98.2%

In addition to general fund state funding, Val Verde Unified School District receives state and federal categorical funding for special programs. For the 2009-10 school year, the district received federal, state, and local aid for the following categorical, special education, and support programs:

- ARRA: State Fiscal Stabilization Fund
- Economic Impact Aid (EIA)
- English Language Acquisition Program, Teacher Training and Student Assistance
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- NCLB Title I, II, III, IV, X
- Other Local
- Special Education
- Tobacco-Use Prevention Education
- Transportation
- Transportation: Special Education
- Vocational Programs
